## **Addaset gives contemporary look to Surrey driveway**

***Addagrip approved contractor Design-a-Drive, gave a contemporary new look to the approach to a Surrey home.***

Design-a-Drive was asked to install a new driveway surface and walled entrance for the residence.

The installation consisted of Addaset Resin Bound Porous surfacing in a striking Scandinavian Pearl blend which was gave a contemporary update to the property.

The new surface was laid onto an open surfacing asphalt base to ensure maximum porosity and provides a durable, low maintenance, seamless finish to complement the new grey entrance walls and exterior décor of the property.
