Cemplas celebrates 45 years of winners

Cemplas Waterproofing and Concrete Repairs Ltd marked the great achievement of 45 years of successful trading with a very enjoyable day out at the races.

The company was formed in 1969 and Managing Director and major shareholder Tony Blencowe commented how delighted he was to have seen the company reach this tremendous milestone. He invited the company's employees, together with their wives and partners, to enjoy a day in the Directors suite watching racing at Lingfield Park Racecourse.

With the excitement of the racing, along with excellent food and wine, a marvellous day was had by all. Even the weather was great.

Mr Blencowe said he was delighted to be able to extend the company's hospitality and share a fun day away from work with his employees and their families.
