

**Press Release**  
**June 27<sup>th</sup> 2019**

## **New CEO for Cibes Lift Group**

***Cibes Lift Group has a new CEO. Per Lidström succeeds Mats Engblom and has gained a wealth of experience following several executive positions at global engineering companies. This new employment will take the platform lift company to new heights.***

Backed by more than 10 years of experience, Per Lidström has had many different management positions at Sandvik Group. His latest role was Vice President of Global Operations at Seco Tools but his takeover of Cibes Lift Group has since been revealed.

Here's what he had to say about his new employment: "Cibes has made an incredible journey these past few years. I am looking forward to continuing the development of the company together with all its employees and I have big plans for the future."

Per Lidström prides himself on being a results-oriented leader who is not afraid of leadership challenges or business competition while ensuring teamwork is at the top of all employees' lists. June has been his first month working at Cibes Lift Group and he is based at the company's HQ in Gävle.

Although based in Sweden, Per Lidström will be working on the entire Cibes Lift Group. Thanks to this, [Cibes Lift UK](#) is sure to become an even bigger success when it comes to the supply and installation of platform lifts. The UK team is proud to be a part of a group that has fitted more than 40,000 lifts worldwide and believes that with Per Lidström being the new driving force behind the entire company, those numbers are sure to grow.

Overall, Cibes Lift UK will continue to provide [accessibility solutions](#) to residential and commercial customers throughout the country. If you're thinking about having a platform lift installed in your [home](#) or [business premises](#), please do not hesitate to [get in contact](#) with Cibes experts.

**Ends**
