Cibes Lift Group launches Upgrade Kits

Cibes Lift Group are proud to announce the release of their Cibes Air upgrade kit. The Cibes Air home lift has an exquisitely elegant design, offering you a unique user experience where form and function work together to guide your senses. Thanks to its combination of timeless Scandinavian design, intuitive function and natural materials, the Cibes Air platform design blends in seamlessly with your home and lifestyle.

- Touchscreen call buttons
- Upgraded flooring
- Floor indicators
- Smart messages in 12 languages
- Concealed door openers
- Stunning new materials and colour choices

Carefully designed and tested from the Cibes R&D team in Gävle Sweden, the new upgrade kits mean that current lift owners can modernise their lift, without the costs of replacing it.

“It is fantastic to see the reaction from our current customers over the new options available with the upgrade kit. Our mission has always been to support our customers with the latest in design and safety features our industry can offer.” Megan Geddis, Cibes Lift UK Marketing.
