London Calling For Crown Paints' Sustainability CPD

Crown Paints is putting sustainability under the spotlight at a CPD taking place in London this month.

The UK paint manufacturer is delivering its new CPD 'Different Shades of Green – Delivering Paint Sustainability' at London Build 2015.

The seminar – which was launched this year at Ecobuild – will be delivered by Crown Paints' CPD accredited presenter, David Spicer.

London Build 2015 is the new construction exhibition for London and the South East of England, taking place at the O2 on June 18 - 19.

Visitors to the exhibition will have the opportunity to take part in various free-to-attend workshops, focused on the skills required to work and thrive within the UK construction sector.

Crown Paints' CPD is being held at 11am on June 18, under **Workshop Area 1 - Steel, Timber, Paint and Material Repair.**

David Spicer, Crown Paints' Technical Manager, said: "The presentation pays particular focus on paint and coatings and will look at matters including BREEAM, issues with standardisation, products helping to extend maintenance cycles, carbon foot-printing, the integrated approach to sustainability and corporate social responsibility."

Anyone can register to attend the CPD by contacting Crown Paints Specification Services on 0330 020 0310, email info@crownpaintspec.co.uk or simply turning up on the day.

This latest CPD from Crown Paints joins a series of accredited programmes available from the paint manufacturer, including 'Burning issues – the hazard of painted walls and ceilings,' 'The role of colour in buildings,' 'Colour in education' and 'Effective paint specification.'

For more information about Crown Paints' specification services please contact the Crown Trade Specification Team by calling 0330 0240310, email info@crownpaintspec.co.uk or visit the website at www.crownpaintspec.co.uk
