## **Donaldson Timber Engineering Appoints Operations Director**

***Donaldson Timber Engineering is delighted to announce the appointment of Callum Henderson as Operations Director.***

Callum (pictured) has worked for the Donaldson Group for 14 years as Director for Human Resources, and brings not only invaluable experience, but also an excellent knowledge of the company to the role.

DTE Managing Director Mr Jonathan Fellingham comments: "Callum has been working as Interim Operations Director at DTE for the past six months, and I am pleased to report that this position is now confirmed as official with effect from 1<sup>st</sup> October 2010.

"Callum has proved himself to be an extremely capable Operations Director over the past few months, particularly as we continue to drive a change culture throughout the business to further improve our purchasing, stock and reporting mechanisms. I wish Callum every success in his new position within the business."
