FläktGroup awarded a prize for commitment to diverse recruiting

FläktGroup is very pleased to have been awarded the Diversity Prize at the Swedish Ventilation industry organisation's annual meeting for the company's commitment to recruiting women at all levels of the organisation.

The group is very proud of this achievement and excited to see that the efforts of its people and organisation are being recognised within the industry.

The company's values encompass this celebration of equality and diversity:

1. **Integrity** -respects people, values team work and complies with internal and external regulations.
2. **Customer orientation** -puts the customer first - always!
3. **Passion** -is accountable, takes initiative, is solution oriented
4. **Business sense** - understands our business, is business oriented, communicates clearly
5. **High performing with high fun** - strives for excellence, empowers and motivates people and delivers results.

If we all strive to be inclusive, respectful and passionate about the workplace we create the best environment for ourselves and our customers.

The award was presented in Stockholm, Sweden, on 17th May 2018.
