March 3rd 2016

Flakt Woods hosts free lunchtime webinar

At 1pm on the 24th March 2016, Flakt Woods' AHU expert David Black will be reviewing the new requirements of the ERP legislation, which became law on 1st January 2016, and the requirements of Part L 2013 (enacted in April 2014) as they relate to Air Handling Units.

He will then go on to discuss how to reduce energy consumption associated with Air Handling Units.

This is a CIBSE approved CPD so people joining the webinar are eligible for CPD points and a certificate.

If you would like to reserve your space on this free webinar please email marketing.uk@flaktwoods.com

The graphic is a promotional flyer for a live webinar. At the top left is the FlaktWoods logo. To its right, a green banner contains the text 'LIVE WEBINAR' in white, with '24th March 2016 | 1pm-2pm GMT' below it. The main title is 'REDUCING CARBON EMISSIONS & RUNNING COSTS OF AIR HANDLING UNITS' in bold black text. Below this, it says 'COVERING | LOW CARBON AHUs - ERP & ERP DIRECTIVE 2016 - THE CODESIGN DIRECTIVE'. A question 'Are you up to date with the latest legislation??' is followed by 'Does it effect you?'. The text continues: 'Join us for a FREE Webinar where David Black, our AHU Expert, explains it all!'. On the right side, there is a photograph of a person's face partially visible next to a computer monitor displaying a presentation slide. At the bottom left, there is a 'CPD' logo with 'HOURS AVAILABLE' underneath. At the bottom right, there is a photograph of several white air handling units stacked together. The website 'http://www.marketing.uk@flaktwoods.com' is listed at the very bottom.
