January 7th 2025

GEZE UK announce Kids Village charity partnership

Kids' Village is delighted to have partnered with GEZE UK as their 2025 charity of the year. Based at Fradley Park, a few miles away from the Kids' Village site in Wychnor, GEZE UK is a world leading manufacturer and installer of state-of-the-art door and window control systems, whilst also providing a comprehensive service and repair offering.

As part of this partnership, the GEZE UK team will be organising a variety of fundraising events throughout 2025, with all proceeds going to Kids' Village. The partnership will also include awareness campaigns and volunteer opportunities, all aimed at helping Kids' Village achieve their mission.

Kids' Village is building the UK's first holiday village exclusively for critically ill children and their families to enjoy a magical, free of charge holiday. With a 30-acre site, and planning permission secured, Kids' Village now needs to raise the £5m needed to build the holiday village. All funds raised at GEZE UK will go directly towards the capital build project.

Katrina Cooke, CEO of Kids' Village, said:
"A big thank you to Kaz and Rachel at GEZE UK for selecting Kids' Village as their new charity partner. It is especially exciting as GEZE's UK headquarters are just a short drive away from our site at Wychnor, near Lichfield and we look forward to working with the GEZE team over the next 12 months."

Rachel Boxall, Finance Director at GEZE UK, added:
"We are thrilled to partner with Kids' Village for 2025. As a company, we believe in using our platform and resources to make a meaningful difference, and supporting Kids' Village will allow us to contribute to the

wellbeing of children who need it most. We are committed to raising funds that will directly support helping Kids' Village get this project built, which will subsequently make a big positive difference in the lives of these children."
