## **GEZE UK Welcomes two new members to its management team**

***GEZE UK, a leading manufacturer of door and window control systems, is pleased to announce the appointment of two new members to its management team: Allan Randall as National Specification Manager and Lewis Tandy as Marketing Manager.***

### **Strengthening the GEZE UK Specification Team**

Allan Randall joins GEZE UK to lead the specification team, where he will support architects, engineers, and end users in delivering cutting-edge technical solutions across GEZE's range of products. With over 20 years of experience in the architecture and design sector, Allan brings a wealth of knowledge in specification management, project coordination, and client relations. He will play a pivotal role in ensuring compliance with the latest industry legislation and regulations.

Commenting on his new role, Allan said, "I'm looking forward to starting my journey with GEZE UK, bringing over 20 years of commercial experience in the A&D sector. I will carry on taking the GEZE name out to the specification marketplace and continue to offer the best product, provide the best service, and constantly improve everything we do."

### **Leading Marketing Initiatives**

Lewis Tandy has been appointed as GEZE UK's new Marketing Manager. In this role, Lewis will lead the company's marketing efforts, driving innovative campaigns that resonate with customers and align with GEZE UK's growth strategies. His expertise in digital marketing, content creation, and market analysis will be crucial as GEZE UK continues to expand its presence in the market.

"I am very excited to be joining GEZE UK," Lewis commented. "I look forward to collaborating with the talented team here to create impactful marketing initiatives that inspire our customers and strengthen our brand presence."

Andy Howland, Sales and Marketing Director at GEZE UK, welcomed both new team members, saying, "We are delighted to welcome both Lewis and Allan to the GEZE UK Management Team. I am confident that with their previous experience and market knowledge, we will continue to grow our market presence within the UK."
