Summer bargains on radiator art

The Glass Radiator Company is offering 50% off its RadArt designer radiators during July. Using the code RA06July13, any order placed in July will receive 50% off the recommended price of this range of glass-fronted radiators.

RadArt radiators are available with a huge selection of images to suit living areas, kitchens and bathrooms. Or you can choose to have your own image used. They can also be made in any RAL colour. These mirror finish radiators can be ordered as plumbed or electric versions in six standard sizes and come with a five-year warranty.

For more information and to see the RadArt gallery, visit The Glass Radiator Company website at www.glassradiators.co.uk
