Contractors Yard from Groundtrax open for business

Groundtrax is pleased to announce its new online store Contractors Yard is open for business. The launch of the new site enables the company to add traffic management and road safety products to its extensive range of ground protection and ground reinforcement systems.

As with all Groundtrax products, the new lines are British made, of the highest quality and offered at truly competitive prices. Bespoke delivery software keeps delivery costs down too.

Examples of items on offer at [Contractors Yard](#) are a fence base Mk II from £4.75 a unit and MPL cones from £2.40 for a 50cm unit and £3.60 for a 75cm cone.
