## **Heald Celebrates 25 Years in Business**

*Heald Limited, a worldwide leader in the supply of vehicle access and anti-terrorist traffic systems, recently celebrated 25 years in the business.*

Founded in 1986, Heald has gained an outstanding reputation for quality and reliability in the field of high security barricade and barrier systems, and has a proven track record that is difficult to surpass.

Heald stays at the forefront of this ever changing market with a comprehensive research and development programme, including extensive crash rating of new and existing products such as the [Shallow Mount Viper Roadblocker](#) and the [HT1 Raptor systems](#).

Coming soon will be the **Matador** surface-mount automatic bollard system.

Heald staff would like to thank all customers for their support over the years and look forward to many more years in the business!
