

**Press Release**  
**August 10<sup>th</sup> 2012**

## **Heald to Exhibit at ASIS 2012**

***Heald Ltd is attending this year's ASIS International exhibition at the Pennsylvania Centre, Philadelphia between 10<sup>th</sup> and 13<sup>th</sup> September 2012.***

The company's manufacturing partners in the USA, Ross Security Systems, will be exhibiting Heald's shallow mount HT1-Raptor system as well as showcasing its other systems such as the Surface Mounted Matador and shallow mount HT1-Viper Roadblocker.

Visitors are welcome at **stand 864** to discuss any security requirements they may have. To arrange a meeting with Debbie Heald and Rod Heald, contact 01964 535858 or email: [dheald@heald.uk.com](mailto:dheald@heald.uk.com) to confirm a date and time convenient to you, alternatively they look forward to speaking with people anytime at the exhibition.

See link here with details of the event [ASIS International 2012](#), if you would like to view Heald's products in the meantime, please visit the website [www.heald.uk.com](http://www.heald.uk.com)
