Mumford & Wood to Exhibit at The Listed Property Show

Mumford & Wood, the specialist manufacturer of bespoke period timber windows, doors and garden rooms, will exhibit at The Listed Property Show, Olympia, London, 16 – 17 February 2013.

Join them at this spectacular event which brings together the industry's best and recognised experts in their field.

"This is a unique opportunity to talk to us about your own special project," says Steve Purcell, National Sales Manager, Mumford & Wood. "Our bespoke windows and doors have been specified for many beautiful, historical and challenging buildings throughout the world, treasured properties that deserve the very best skills and craftsmanship to return them to their original condition; improve thermal performance for the comfort and wellbeing of their owners, while totally considerate of the elegance and style of their period."

Mumford & Wood looks forward to welcoming visitors to Stand C33 at The Listed Property Show, where superb new products will join the fabulous Conservation™ collection of timber windows and doors.

Conservation™ products are made in Great Britain by Mumford & Wood and carry the BSI Kitemark, Energy Saving Trust and Secured by Design accreditations. Windows, doors and garden rooms can be seen at the company's showrooms in Tiptree, Essex, or at the Building Centre, Store Street, London.

For further enquiries please contact the Sales Team on 01621 818155 or visit www.mumfordwood.com for free brochure downloads.
