## **Platform Hire Receives Another Delivery of Niftylifts**

***Droitwich-based rental company Platform Hire Ltd has just received the latest addition to its growing fleet of Niftylifts with the arrival of another HR12 4x4 and its first ever HR21 Hybrid AWD.***

Platform Hire Ltd now has a fleet that includes a number of HR12s and HR12 4x4s as well the HR17N, the impressive SD210 4x4x4 and now the HR21 Hybrid AWD.

*The new additions outside Platform Hire's Depot in Droitwich*

John Hall of Platform Hire commented: "The HR12s have proved very popular with our customers due to their compactness and versatility and our fleet reflects this. Platform Hire is committed to offering its customers the most efficient and cost effective machines available and the new HR21 Hybrid AWD represents this and our attitude towards environmental consciousness perfectly."

Platform Hire's fleet of Niftylifts are available for hire from the Droitwich depot. For more information contact: 0870 7575 038 or email [sales@platformhire.co.uk](mailto:sales@platformhire.co.uk).

**Ends**

### **About Niftylift**

Niftylift Ltd manufactures a range of hydraulic work platforms with working heights ranging from 9m to over 21m mounted on trailer towable, self-propelled, self drive, track drive, static base and vehicle chassis. The company was founded in 1982 and now has production facilities near Barnsley and in Milton Keynes in the UK and regional sales and service centres in USA, throughout Europe, Australia, China, South Africa, Central and East Asia.
