Rolawn Staff in Fancy Dress Day for Greenfingers Charity

Rolawn has been getting behind the gardening industry charity day Garden Re-Leaf, raising money to help Greenfingers create gardens at children's hospices.

On March 13th head office staff came to work in fancy dress and the company donated 5% of the value of all orders placed on www.rolawndirect.co.uk that day to Garden Re-Leaf.

Other fundraising activities have already taken place. These include the 'Tour de Rolawn' sponsored 70-mile cycle ride, sponsored slim and 40-mile sponsored walk around a number of turf fields.

Rolawn is asking for help to raise more money; all proceeds are going to Greenfingers. Anyone can contribute via Rolawn's Justgiving web page <http://www.justgiving.com/Rolawn-GardenRe-Leaf> or call 0845 604 6050; all contributions are gratefully received.
