Rolawn Turf and the Three Bears

Land & Utility Ltd has recently laid Rolawn's Medallion turf in a new compound at Five Sisters Zoo, West Calder, in readiness for the arrival of three rescue bears which are currently homeless and languishing in a holding centre in Belgium.

Five Sisters Zoo has launched an urgent appeal to rescue the bears who have endured a life of hardship. The Zoo has agreed to construct a new purpose build enclosure for the three bears (pictured) and has launched an £80,000 appeal to finance it. The aim is to have Suzy, Carmen and Peggy in their new home by Christmas.
