Concrete Repair and Protection CPD from Ronacrete gains RIBA approval

Industry expert and manufacturer of construction products, Ronacrete, has had a third CPD approved by RIBA. Concrete Repair and Protection to BS EN 1504 is the third CPD from Ronacrete to receive RIBA approval in less than a year.

The CPD Concrete Repair & Protection to BS EN 1504 has been assessed by RIBA and categorised under the core curriculum subject:

Designing and building it: design, construction, technology and engineering

Compliance: the legal, regulatory and statutory framework

Knowledge level: General awareness

Learning outcomes of the CPD – a knowledge, awareness and understanding of:

- Causes of concrete degradation
- Assessing the types of repairs required
- Types of repair available
- Testing methods

This RIBA certified seminar offers guidance on the correct methods of carrying out concrete repairs and what can be done to avoid future issues. The seminar focuses on the importance of preparation, installation methods and protection.

Concrete Repair and Protection to BS EN 1504 will be presented at the RIBA roadshow in Brighton on 23rd April and can be booked online at <http://www.ribacpd.com/cpdroadshow/riba-brighton-cpd-roadshow/124/>

The other two RIBA approved CPDs that Ronacrete is now delivering to architect firms on a weekly basis – Guide to Specifying Modified Screeds and SuDS Compliant Permeable Paving – Resin Bound Surfacing Systems – are both receiving very positive feedback.

The RIBA Core Curriculum was created by RIBA for its members to ensure that key architectural skills are covered in learning activities. It is a requirement that chartered members take part in a minimum of 20 of their yearly 35 hours CPD from the Curriculum, spending two hours of CPD time in each of ten key topics. RIBA Certified CPDs can be identified by the RIBA CPD Providers Network logo and attract double CPD points.

CPD in the workplace

The Ronacrete technical team is also happy to travel to present the CPDs in the workplace and will reimburse for lunch. Further information and booking details for RIBA CPDs can be obtained by calling 01279 638700 or by sending an email to cpd@ronacrete.co.uk
