## **ServaClean helps cocktail bar go full steam ahead**

***ServaClean Bar Systems is delighted to have been involved with the new bar installation at The Ticket Office Ilkley.***

Opened following significant redevelopment of the premises within Ilkley train station, The Ticket Office specialises in providing innovative cocktails in a sophisticated environment where great service comes as standard.

ServaClean would like to wish all concerned every success with the venture.

If you would like ServaClean to help you with your next bar, [please get in touch](#)
