Simonswerk wheels out bespoke solid brass hinge

SIMONSWERK has designed a bespoke solid brass hinge for fitting to the highly innovative food and drink tricycles from Ideas Box.

Founded in 2000, Ideas Box offers unique and innovative attractions for the leisure industry and corporate events. The company's ice cream tricycles were present at the Downing Street Royal Wedding Street Party and can be customised with anything from ice cream, to candyfloss, popcorn, doughnuts or drinks such as Champagne & Pimms.

SIMONSWERK UK manufactured the bespoke solid brass hinge in a variety of finishes to co-ordinate with the various tricycle designs.
