## **New AHU Sales Manager for Space Air**

***Space Airconditioning plc, the Guildford based Daikin distributor, has appointed Steve Shefford as Applied System Sales Manager with responsibility for the extensive Daikin AHU range of products.***

Steve has over 35 years experience in the HVAC industry and joins from a major AHU manufacturer where he was National Sales Manager.

Steve commented: "The exceptional Daikin range and quality of the "plug and play" AHU products, combined with Daikin's superb controls platform and renowned air side equipment, all supplied by Space Air, provides specifiers, contractors and building operators the huge advantage of a single source, fully integrated and supported package."
