Stanton Bonna is triple winner at awards night

Stanton Bonna won the most awards for any company at the presentation night for the British Precast Best Practice Awards 2019.

The fantastic haul included:

WINNER: Digital Transformation Award: Poly Robot

WINNER: Innovation Award: M6 Smart Motorway Construction – Aqua-Slot®;

WINNER: Outstanding Contribution to Health & Safety: Chris Taylor.

Company bosses expressed a hearty “well done” to everyone involved. The team behind the sale, design, manufacture and despatch of the Aqua-Slot are pictured.

Stanton Bonna was also finalised for:

Digital Transformation Award: the Product Data Management System

Health & Safety Award: New Rapid Batching Plant and Concrete Delivery System. Total Access/Egress and Access Safety Feature

Health & Safety Award: Gully Grab Lifting Accessories.

Ends
