

Press Release
11th January 2010

Stonecrete offers exceptional natural Sandstone Paving

Natural Sandstone Paving is becoming the most widely used natural stone presently available.

Offering subtle variation in both colour and profile, Natural Sandstone gives a very sought after natural appearance. It is extremely versatile and can be used for both internal and external paved areas.

Naturally split and hand cut, our sandstone paving is equally suited to both traditional and modern landscaping applications.

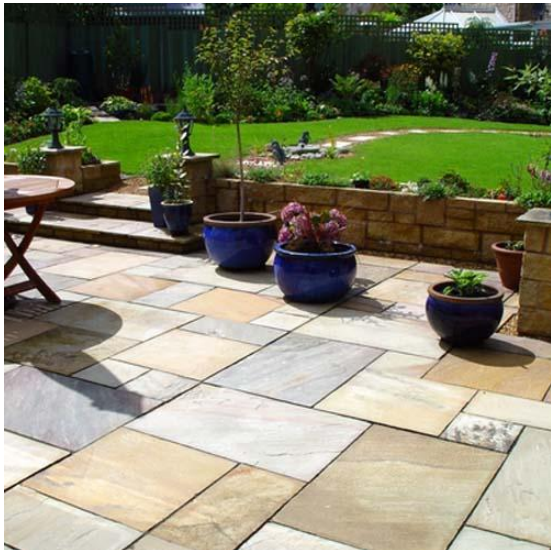

Stonecrete currently offer a choice of five different types of sandstone paving including:

- Autumn Mix
- Light Grey
- Mint Fossil
- Modak
- Raj

All can be purchased as mixed size sandstone patio kits, single size packs and sandstone circle kits.

Pricing starts from £13.50 per square metre (+ VAT + Delivery).

All Stonecrete Natural Sandstone products are ethically sourced.

Stonecrete, specialises in the production of a range of quality concrete products such as balustrading, balustrades, paving and patio, benches, garden furniture, edging, walling, pier caps and coping. All products can be distributed nationwide.
