SUZY CLIFFORD APPOINTED
UK SALES MANAGER FOR TITON

Leading ventilation and window hardware manufacturer Titon has appointed Suzy Clifford as its new UK Sales Manager (Timber and PVCu). She will be responsible for the further development of the timber and PVCu business, including ventilators, window and door fittings and managing of the nationwide sales team.

Having worked in the building products industry for more than 20 years, Suzy has extensive knowledge of the window and door hardware sector and a proven track record in field-based sales and specification. Most recently, she held the position of Sales Director for the door, window and security hardware specialist, Fab and Fix, where she worked for ten years, during which time the company achieved substantial growth.

Tyson Anderson, Sales and Marketing Director, said: "We are all looking forward to working with Suzy and I'm certain her vast experience within the industry combined with her high energy levels will prove to be huge assets for Titon and our ambitious plans for the future."

Suzy, who will be working across the UK and at Titon's offices in East Anglia commented: "I am really looking forward to getting stuck into the job as this is an interesting time for the hardware sector. I'm keen to help extend the reach of Titon's timber and PVCu products and embrace the challenges and priorities of this new role, exploiting the strength of the Titon reputation, to gain greater market share."
