Doorworld Springs into Action

An exciting new spring offer has been launched by Doorworld.

Doorworld is offering many traditional internal pine doors at very low prices!

There is a wide variety of styles available in both clear and knotty pine including 2 panel, 4 panel or 6 panel configurations.

One of the most popular varieties of traditional pine doors has been reduced from £89 to **£50** for people who enquire through The Construction Centre website!

Many requests have already been taken for doors. Please use the red contact buttons on the Doorworld company profile page above to reserve your order today!
