

**Press Release**  
**11<sup>th</sup> December 2008**

## **Looking for our one millionth concrete garage customer**

***That's right, sometime early in 2009 we are on track to congratulate our one millionth garage customer.***

In 2005 we began a tally exclusively of our Lidget Concrete Garage sales. Needless to say, the feedback [http://www.4concretegarages.com/concrete\\_garage\\_single.asp#17](http://www.4concretegarages.com/concrete_garage_single.asp#17) we receive from these garage customers is tremendous and a testimony to the traditional Yorkshire principles of value for money and excellence in its product.

We know that our customers have found all the staff at Lidget approachable and friendly, quality of the installation is assured by trained and employed erectors (not sub-contractors).

Lidget Concrete Garages are the North's largest manufacturer of prefabricated buildings. Despite their size, being independently owned Lidget Concrete is sympathetic to market conditions and that is why they were amongst the first of the garage manufacturers to reduce the rate of VAT duty and the only manufacturer to be holding a pre-XMAS sale.

View our range of Lidget Concrete Garages at the regions' largest display facility: The Garden Buildings Centre, Hazlehurst Lane, Stonegravels, Chesterfield, Derbyshire, S41 7LX FREEPHONE 0800-318359
