

Press Release
June 30th 2014

Key appointment aids Landau growth

Landau Holdings Ltd is pleased to announce that David Hall has joined as General Manager for manufacturing. David has over 15 years' experience of manufacturing, installation and quality control. Landau Holdings is part of the same group of companies as Landau Parapan, manufacturers of high gloss solid acrylic.

David will be responsible for overseeing the complete process from order to dispatch and will work on developing new systems for Landau's continuing growth.

Ends
